## LOUTH AND DISTRICT HOSPITAL.

### 138th ANNUAL REPORT TO THE GOVERNORS AND SUBSCRIBERS.

Our report on the year 1941 must be much curtailed, but certain features of our work call for special mention, and must be given a place in this record. As for actual work done:—33 patients were in Hospital at the beginning of the year, and 862 have been admitted. Of these patients, 843 have been cured, relieved or transferred, and 25 have died, leaving 27 in Hospital on December 31st. In the Maternity Ward 243 patients have been admitted and 249 births recorded. The Children's Ward has admitted 201 children.

Operations under anæsthetic numbered 475, while Minor operations and small services, including dressings, rendered to out-patients, amounted to 2,362. 458 X. Ray examinations have been made, and, in the Treatment room, 993 Massage and Electrical treatments have been given. 261 Ophthalmic consultations were held, and 4 ophthalmic operations performed.

It will be noted that Donations are much decreased, but it will be readily understood that this is due largely to war-time conditions. The decrease has, however, been made good in the increased amount from Fees and the Contributory Associations. At the beginning of the year we had the helpful sum of £154 from the sale of scrap-iron organised by Alderman L. J. Lill, during his Mayoralty. We are also much indebted to Mr. S. Bett and his associates for their gift of £78 towards the heavy premiums to be paid for War Damage Insurance. A very welcome gift of no less than £51 was received from Withcall, the proceeds of a Whist Drive organised by Mr. and Mrs. J. Clark. Once again our Grateful Patients' League handed over the sum of £75/9/2, which was an increase of £6 over last year's total. We are pleased to note, too, that Collections in Places of Divine Worship again shew an increase.

Two gifts which have been placed to the credit of the Endowment Account were £100 from Mr. & Mrs. A. Dowse, of Mablethorpe, in memory of their son, and a donation of £5 from Mr. Sidney Street, of Louth. The former is to be utilised for the purchase of equipment when opportunity occurs. A £10 Defence Bond was also gratefully received from the Mablethorpe W.V.S. from their War Weapons Week.

*Contributory Associations.* We, like other Voluntary Hospitals, are finding that our Contributory Associations are becoming an integral part of our work and income, and we are ever indebted to those whose patient, untiring work as Administrators or Collectors links us with our growing army of contributors. Such service for the community brings its own satisfaction. Mention must be made here of Pound Day, when the Mayoress, Mrs. E. H. Thompson, received gifts amounting to £197/16/7 in cash and goods valued at £55/5/9—an astounding achievement for War-time!

*The Linen League*, which continues to flourish mightily, held a most successful Garden Fete in the summer, and some enjoyable Whist Drives in the Autumn. The members meet fortnightly and do valiant work at making and mending. We cannot adequately express our appreciation of their important share of our work.

*Legacy.* Under the Will of the late Mrs. Alice Ewbank, who, during her life-time, was a staunch and generous supporter of our Hospital, we received a legacy of £900 (£1,000 less legacy duty) for the endowment of a bed to be designated "The Ewbank Bed."

As was to be expected, expenditure is much increased, but here a special word of thanks is due to our Matron for her careful control of the household expenses. Our maintenance costs worked out at £3/4/11 per patient, per week. In July last, a recommendation was received from the Ministry of Health regarding a new scale of salaries for Nurses, and the Board decided to adopt this scale as from August 1st. Under the arrangement, which, however, is only temporary, we shall receive as a grant from the Ministry one half of the increase. Our share will be, approximately, £100 a year. An extraordinary item of expenditure this year has been the premium, to the amount of £107, which we are paying for insurance, against war damage, of the contents of the Hospital and "Elmhurst."

*Obituary.* We regret to have to record the death of Mr. T. H. Haggas, for some years one of our Vice-Presidents.

*Thanks.* Once again we thank the Hon. Medical Staff for their constant, kindly and skilful service to our patients, and for their readiness to deal with any emergency. To our Nursing and Domestic Staff, too, we would express our thanks. In the course of the year we have heard from patients so many words of appreciation of their courtesy and kindness that we are assured that in our Hospital exists that spirit of service and love which is the dynamic force behind our Voluntary Hospital system. With such a spirit actuating the work, we can face the future with optimism and confidence.

# LADIES' LINEN LEAGUE.

President: Mrs. O. DIXON.

Hon. Treasurer: Mrs. M. HALL.

Hon. Secretary: Miss E. M. STREET.

1941 has been another year of progress. In March we ventured to ask the drapers if they could arrange window-shows again; they did so, and the response of gifts from our friends was truly magnificent.

During the year, many hundreds of swabs have been made as well as bandages of various kinds. Mrs. Richardson, who is in charge of the Sewing, has again been busy supervising the making of shirts, pyjamas, operation-coats, etc., not to mention all the smaller things which are constantly wearing out. The mending, too, has been a big item in our service, and though we sometimes feel that some article would be better replaced by a new one, we usually make it last a little longer by a careful repair.

In November we had from the American Red Cross Relief Fund a splendid consignment of goods all of which will prove most useful.

Thanks are due to all donors of garments, etc., and to the ladies who have arranged the successful Whist Drives which proved so enjoyable.

# LOUTH & DISTRICT Hospital Aid Association

PRESIDENT—LADY FOX.

HON. SECRETARY & TREASURER :

MISS PHILIPPA ALLISON, 22, UPGATE, LOUTH.

---

## 17th Annual Report.

Since the foundation of the Association in 1924, each year has been a record of income and membership growth. These facts prove how much the benefit is appreciated throughout the district which it covers. In many villages, two-thirds or more of those eligible are already members. In these days, when the Ministry of Health is so anxious to cover every house in Gt. Britain with prevention or cure of sickness and when Hospitals are so well-equipped and served by members of the Medical and Nursing Staffs, it is remarkable that any eligible person voluntarily remains outside Contributory schemes, and in the near future such persons will be the exception.

1½d. per week is a very small sum to pay to ensure absolutely free treatment by Surgeon, Physician and Nurse, as well as free maintenance.

During the year under review, 101 of our members were admitted as in-patients, and occupied beds for 2818 days; 58 major and 44 minor operations were performed. There were 74 X-Ray examinations, 125 massage treatments, and 129 consultations with the Ophthalmic Surgeon. 176 members attended as out-patients, and 182 dressings were done for members.

The number of our members is well over 6,000, and each year shows an increase.

We are more than grateful for the sacrificial and voluntary work of the Hon. Medical Staff, who most willingly enter into co-operation with Matron and her nursing staff, who are, day and night, all the year round, at the call of those of our members who need their capable care.

We also thank most sincerely the 82 ladies who go from house-to-house in their respective districts collecting the

contributory amounts and making their quarterly payments to the Hospital Office. The fact that £1880 was collected in small items by them during the year, speaks volumes for their diligence and loyalty. They also act as liaison officers to help and advise those members who need treatment, and when times permit, render further assistance by arranging entertainments for the association's funds.

The only changes amongst the collectors during the year are that at Burwell, Mrs. Rushby has replaced Mrs. Fanthorpe; Mrs. Laughton has taken the place of Mrs. Rutter at Muckton, and Mr. Leighton is collecting at Walmsgate instead of Mr. Andrew.

The Balance Sheet below shows that £2206 15s 8d. was handed to the Hospital Treasurer during the year, and £10 6s. 0d. granted to members who had to receive treatment at other Hospitals.

Important, too, have been the services rendered at the Hospital Office by Miss Wright and Mr. Wells, whose courtesy and capability are always at the service of members, collectors and enquirers.
